# Foreword

We are fortunate to have been students at Allentown High. A well rounded curriculum, from the intricate world problems to the practical care of the home, has prepared us to take our stand and be worthy to be called citizens of this great nation. In trying to preserve the memories of our stay at Allentown High we present this issue of the Comus. In it we have tried to capture the events of a most wonderful experience.

To the Class of 1951 we hope that in the capacity of this Yearbook you will be inspired to keep alive the everlasting spirit of your Alma Mater, and as the years roll on it will become a cherished volume.

## Alma Mater

All hail, our Alma Mater dear,
Our voice of praise and glory hear;
To whom all reverence we bear,
Of you forgetful we'll be ne'er.
We shall forever for you yearn
And cherish all that we may learn
Through future days of life,
'Mid joy and strife;
True may we stand, both to you
And Canary and Blue.

As we, the class of 1951, prepare to take our stand in the future, we are immediately confronted with the present day situation. However, when we recall the many experiences of our stay here at AHS, our senior activities stand out. Brisk weather, stadium lights and school spirit reflect the exciting football games. Christmas carols, evergreens, and parties take us back to the joyous Christmas season. Lights, make-up and action reveal the successful play, *That Brewster Boy*. Chartered busses, throngs of people, and once again that old AHS spirit, recollects that momentous occasion when our boys captured the State Champs Title.

After our farewells are said, and we begin to walk down life's pathways, our many acquaintances made at high school still linger in our minds, along with our Alma Mater which will be our constant guiding light.

# In Memoriam

RONALD R. BAKER

Ronald Baker, who passed to his eternal reward as a result of a heart ailment on March 16, 1951, leaves a vacant spot in the hearts of our fellow classmates who associated with him. Ronald was a typical teen-ager and we sincerely regret his sudden death.

## STUDENT COUNCIL

Student Council, the governing body of Allentown High School, has been particularly active this year in meetings with leaders of other schools. The officers have attended meetings at Liberty High School and Emmaus High School, and in turn, have conducted a meeting at A.H.S. with the Liberty High Student Council Officers as guests. At these meetings, the ways and means of better school spirit, student activities and student behavior are thoroughly discussed.

Under the excellent leadership of Mr. C. S. Bartholomew and the officers, this student association was, indeed, a credit to A.H.S.

## SENIOR MATH REVIEW

The Senior Math Review consists of students who are interested in those aspects of mathematics which cannot be presented in class. The purpose is to review the math of previous years and to review also the math taken during the first semester of the senior year. This review is very helpful to pupils taking the various tests for college entrance. The members not only review math, but also enjoy many lectures presented by professors of near-by institutions of higher learning.

OFFICERS

*President* ..... Alvin Albright
*Vice-President* ..... Betsy Schoenly
*Secretary-Treasurer* ..... Henrietta Faucett
*Sponsors* ..... Mr. Earle Weinsheimer, Mr. Robert R. Neely

## JUNIOR MATHEMATICS CLUB

The Junior Mathematics Club was organized to create a keener interest in the study of mathematics and its applications. The club meets on the first Wednesday of every month.

The club discusses cube root, magic squares, short cuts in mathematics, mathematical puzzles, fun with figures, repeating decimals, mathematics in physics, fallacies, and the slide rule.

Some of the topics were presented by the members of the club. Others were discussed by members of the Allentown High School faculty.

## SOPHOMORE MATHEMATICS CLUB

The Sophomore Math Club is composed of a group of mathematicions who are interested in the higher fields of mathematics not covered in the classroom. The club meets the second Friday of every month.

The group's activities range from book reports on mathematics to the presentation of various film slides. Mr. Herbert H. Reichard, Mr. Robert R. Neely, Mr. Earle Weinsheimer, and Mr. Robert E. Brong conduct lectures for the group. They speak on the use of small numbers, the slide rule, aeronautics, and elementary surveying.

A vital part of the activities throughout the year may be attributed to Mr. Robert E. Brong, the club sponsor.

# HISTORICAL SOCIETY

The Historical Society is functioning for the purpose of becoming better acquainted with our local history. This is done through reports made by club members. Whenever possible outside authorities on phases of local history are brought in to speak to the club. Members familiarized themselves with state government by going on trips to Harrisburg to see sessions of the State Legislature in action.

In April, the club presented a program during the assembly period.

## NATURAL SCIENCE CLUB

This year the Natural Science Club, under the able guidance of Mr. Henry Messinger, is open to all sophomores, juniors, and seniors who are interested in Nature Study and its various departments.

With the aid of Mr. Messinger, club members have worked on individual projects of their own interest. The organization has also planned numerous field trips to Hawk Mountain and Lehigh Parkway for bird study. The group has also been using the roof of the high school building for star study. It has been the idea of the club to stimulate interest in nature study.

# PHYSICAL SCIENCE CLUB

A Science Club of America member engages in many activities. It's purpose is to promote student interest in developing individual projects for the Westinghouse Science Talent Search, National Honor Society, Hobby Show, and the East Penn Science Congress and Fair.

Bi-monthly programs were given by the club members. Pedro Irausquin, the student from Aruba, gave a talk on density measures of oils, kerosense, and gasoline. Kenneth Huber gave a talk on psychology. Other students presented their scientific interests throughout the year.

On December 2, 1950, the group took a bus trip to the Franklin Institute and toured the WPTZ television studio.

## FRENCH CLUB (LE CERCLE FRANCAIS)

Once a month a group of students eager to learn about French customs and songs gather in Room 100 for their meetings. The club tries to familiarize its members with the French language by conducting part of each meeting in French. The singing of French songs and the playing of French games compose the entertaining part of each meeting.

Acting as sponsor of Le Cercle Francais is Mademoiselle Swope who has done much to add interest to the club programs.

Those who graduate this year say aurevoir to the pleasant experiences we had as members of Le Cercle Francais.

## RADIO PROGRAMMING CLUB

The Radio Programming Club is composed of a group of students who are interested in both "dead" and "live" broadcasting. The Club, which meets the first and third Tuesday of each month, works with the Allentown School District Radio Committee, under coordinator Mr. Charles Neff, and the local radio stations.

Live-wire broadcasts of the year were:

A Bit of Destiny (*Station WKAP*) in November which gave our club the privilege of opening the Allentown School District's observance of National Education Week.

Look at Tomorrow (*Station WHOL*) in February, and Presto! A Driver (*Station WKAP*) in March.

Among other activities of the club are script writing and revising, student announcing and directing, and manipulating phonographs and wire recorders.

## CAMERA CLUB

Since the beginning of the year, the Camera Club, under the direction of Mr. Robert Brong, has taken over twelve hundred photographs of school activities for the CANARY and COMUS. The Club is limited to boys of experience and special aptitudes. Members of the club gain practical experience in photography, as they make an accurate history of the school in pictures. All of the photographs taken by the club are filed for the future reference of any A.H.S. student.

## SQUARE DANCE CLUB

The Square Dance Club was formed during the term of 1949-1950. The club was formed to acquaint as many people as possible with square dancing. An exhibition group was formed last year in which the members put on an assembly program and several exhibitions for various clubs. The demand for membership grew rapidly from 96 to over 300. The main purpose of the club is to bring to Allentown High School one of the most favorite pastimes of America and to show as many people as possible the right way to square dance.

## THE VARSITY "A" CLUB

The Varsity A Club is organized to provide an opportunity for the athletes to aid in the preservation of sportsmanlike attitudes among the student body of the school. The club activities should extend throughout the school year and to services beyond the field of competitive sports.

The club is organizing a program whereby outstanding athletes from other high schools and colleges will come to Allentown High and take part in a club meeting. If the club can successfully initiate this type of program, then both the club members and the entire student body will have an opportunity to understand the more significant importance of good sportsmanship.

# TUMBLING CLUB

The aim of the Tumbling Club is to provide an opportunity for boys with some ability and an interest to further develop their abilities and interests.

The club has made appearances in the Open House program and the show, "Inside A.H.S.". They exhibited their abilities on the trampoline and in ground tumbling, and in the future hope to become equally proficient on other pieces of apparatus.

The experienced boys, such as Herb Ring, Neil Yurema, Eugene Matzo, Donald Hersh, and Ralph Levan aid the club greatly by instructing the less experienced boys; thereby developing leadership.

## APPARATUS CLUB

This club boasts an enrollment of 145 girls who are so coordinated as to become performers on the springboard, horse, and parallel bars. Apparatus club enables these girls to develop skills too advanced for class work. Here, as in the other Physical Education clubs, the members strive for perfection in form and technique.

## TRI - HI - Y CLUB

Under the guidance of Mrs. Ivan Bixler, the Tri-Hi-Y Club of Allentown has increased its membership to forty-two members.

The purpose of the organization is to create, maintain, and extend throughout the school and community high standards of Christian character. Helping the poor and needy is the basic objective of the club, but the social activities are also numerous. Singing Christmas carols at the Phoebe Home and making service baskets top the list of this year's activities.

## CANARY CAVALIERS

The Canary Cavaliers are sponsored by Albertus L. Meyers and each year are directed by a student. This year the director was Rudy Ackerman. The activities of the organization are playing for dances, auditorium shows, basketball games, and tours of neighboring high schools and Veterans' Hospitals. The three big events of the year were playing for the show, "Inside U.S.A.", the tour to Liberty High School, and the Canary Cavaliers Show in auditorium.

Nero Jones and Eva Horne are featured vocalists with the band.

## A. H. S. CONCERT BAND

This year Allentown High can well be proud of the Concert Band. Director Albertus L. Meyers collaborated with Edgar M. Acker in presenting on May 2, 1951, one of the finest spring concerts to be heard. A harp solo with a band accompanist, *Valse des Fleurs* from the *Nut Cracker Suite* by Tschaikovsky, Overture to *Orpheus in the Underworld* by Offenbach, and a medley of Rodgers and Hart songs highlighted the event.

Besides this glorious spring concert the Band presented many excellent musical programs at various clubs and schools.

The Concert Band is also the nucleus of the A.H.S. Marching Band. With such an gugmented band, Allentown has seen some spectacular drilling at the fall Football games.

## A CAPPELLA CHOIR

Our classmates will always recall the melodious tones emitted from Room 222, the site of the A Cappella Choir's rehearsal. This group is known for its varied and entertaining programs of secular and sacred selections. Under the capable direction of Richard G. Neubert, the choir presented portions of its program at numerous church and civic events.

Highlights for the year were first: the PMEA Eastern District Choral Festival which was attended by nineteen of our students. They had a glorious experience in Reading, Pa., singing under Elaine Brown of Temple University. The annual choral festival on February 13 featured the choir in an ambitious program including soloists Anne Horn and Curtis Peterson. Finally, the annual trek to New York City became an extraordinary occasion with the choir singing at the all-girl Julia Richman High School.

## VOCANOVAS

The Vocanovas have been one of the most active groups in the school during the past four years. They have frequently entertained in High School and Junior High assemblies. They have also appeared before civic organizations like the Lions Club, Kiwanis Club, Shrine Club, for P.T.A.'s and other school and church organizations. A.H.S. can always be proud of this untiring group which is willing to donate so much of its own time to bring others the pleasure that is to be obtained from good music.

# THE PRANCING MAJORETTES

The A.H.S. majorettes of 1950-51 were headed by Mary Ann Keck and ably assisted by Doris Chlebove and Lucille Phillips. The squad consisted of twelve girls and was sponsored by Mr. Meyers. Their practicing began last summer, training newcomers and originating new drills for the year.

During the football and basketball seasons, they successfully entertained spectators with new and clever formations. Among some of the favorites were St. Louis Blues, Turkey in the Straw, Parade of the Wooden Soldiers, and Jingle Bells. The use of lighted batons and snappy dance steps added variety to their performances.

They were also seen in the Old Home Week Progam, in the aquacade and in numerous parades, where they succeeded in providing entertainment and in keeping school spirit high.

## VARSITY FOOTBALL

With his first season at the helm now tucked safely under his belt, coach Perry Scott can look back with great pride to the football season of 1951. Bringing a wealth of knowledge gained through actual playing experience to the gridiron, he integrated this with his ability for leadership and his ability to make his players give their all and developed one of the best teams in the state.

Mr. Scott was assisted by Mr. Paul Clymer who helped plan the offense, did the scouting, and ran part of the second team and J. V's. against the varsity in scrimmages; by Mr. Benjamin Greene who coached the line and backs; by Mr. Kenneth Wildonger who was defensive line coach; and by Mr. Milo Sewards who coached pass defense and the general operation of the backs and the ends.

Helping to ease the sting of the defeat by Bethlehem was the fact that John Balash was named center on the first team of The All-State Football Team. John, who was first string varsity center for three years, did much to lead the Canaries to victory with his fine defensive play.

Alton Frey, versatile and hard-running halfback, was also selected as one of the backfield men on the third-string All-State squad.

# FOOTBALL

## A.H.S.—JULES MASTBAUM

On Friday evening, September 15, the Canaries opened a very successful season by defeating Jules Mastbaum of Philadelphia by the margin of 26–0. Allentown's touchdown twins, Alton Frey and Bob Zelko, tallied twice, and Raymis converted twice.

## A.H.S.—SOUTH PHILADELPHIA

The touchdown machine kept on rolling as South Philly was plowed under on Friday, September 22, by a 35–13 score. The goal line was crossed twice by Zelko, once by Bob Frederick who returned a punt fifty yards, and by Gerry Kershner and Bill Adams.

## A.H.S —HAZLETON

Hazleton proved another easy victim as the Queen City romped to a 33–0 decision on September 29. Frey scored the first TD in the opening quarter and later in that canto Bob Kocher connected with Charles Puskas on a pass for another score after Frey and Zelko drove the ball downfield. In the second quarter Zelko plowed over from the two and the Canaries led 20–0 at halftime. In the second half Frey completed the scoring when he added two more tallies.

## A.H.S.—CENTRAL CATHOLIC

Beginning what looks like an inter-city rivalry of tremendous proportions, the Canaries and Vikings clashed head on at the Stadium on October 6, with Allentown barely pulling the game out of the fire 18–7. The Canary and Blue were pushed all over the field in the first half but managed to emerge without being scored upon by dint of several goal line stands. Allentown scored first in the third quarter when Frey went over from the three, but Central Catholic bounced right back on a recovered fumble and pulled ahead 7–6. The Canaries pulled together then and Fredericks bowled over from the two, and Frey tallied last after Adams intercepted a pass and Zelko got off for a good run.

## A.H.S.—PHILLIPSBURG

Allentown gridmen ran into their first traditional Lehigh Valley foe on October 13, when they played and vanquished Phillipsburg 32–12. The game was much closer than the score indicates as both squads were deadlocked 12–12 at the end of three quarters. P'burg broke the ice in the first quarter but the Canaries came back and made things even at 6–6 when Fredericks plunged from the six. The Queen City squad moved into the lead in the second quarter when Kocher flipped a pass to Frey who went across. In the third quarter the Jerseyites tied things up again at 12–12, but in the final period the Canaries scored twenty points: First Charles Puskas picked up a fumble and ran 35 yards to score, then Frey plowed nine yards for another tally, and on the last play of the game Kocher flipped a 40-yard scoring pass to Frey.

## A.H.S.—CENTRAL HIGH (Phila.)

The Canaries suffered a letdown against the Centralites on October 20, but managed to pull out in the last quarter after capitalizing on two pass interceptions. John Balash intercepted an aerial and scampered to the three and one play later Kocher ran it over. Several minutes later Russ Cunningham, left guard snared another Central toss and scored.

In the first half a Kocher to Frey flip provided one touchdown and Fredericks plowed over for the second tally. Central went under by a 27–7 count.

## A.H.S.—McKEEPSORT

On the evening of October 28, the Canaries almost had a sure victory snatched from their hands. Leading by a 25–6 margin with four minutes left to play, the end of the game found McKeesport on the march after having brought the score up to 25–18. The Tigers led at the half 6–0.

In the third quarter Frey raced 42 yards, then pushed his way over from the two for one score; a pitchout from Kocher to Frey and a forward back to Kocher gained touchdown number two; two minutes later Frey raced 55 yards for a third tally; and just a few minutes later he crashed through for a 47 yard touchdown ramble.

## A.H.S.—EASTON

Allentown not only had to defeat a tough Easton team on Saturday, November 4, but also had to overcome sloppy weather and a muddy field. The final score was 12–0, both TD's being scored in the first quarter. Frey ran 55 yards for the first tally after an Easton fumble was recovered. On another recovered fumble which Zelko carried to the five, Frey hit paydirt again and tied Elmo Jackson's season record of sixteen touchdowns.

## A.H.S.—ALTOONA

The bitter cup of defeat was lifted to the Canaries' mouth as a driving Altoona team smashed Allentown's castles in air 19–12 on Friday, November 11.

In the first period Kocher passed to Fredericks for the initial score, capping a 59 yard drive. Altoona tied things up in the second quarter after recovering a fumble. After receiving the kickoff in the third canto, the Mountain Lions drove for another tally. Allentown evened the score in the last quarter when Kocher went over from the one, but then Altoona pushed across their last TD and Allentown was unable to progress to the goal line after that.

## A.H.S.—BETHLEHEM

The final flowers were thrown and then the body of the 1950 football season was laid to rest as Bethlehem conquered Allentown 15–6 on November 23.

Bethlehem was completely "up" for the game and thoroughly outplayed the Canaries, out-charging, out-tackling, out-blocking, and out-running them.

Al Unger recovered a Steel City fumble on his own one, and when Kocher elected to run the ball out of the end zone, he was smeared behind the line and Bethlehem had two points. The Hurricanes tallied again in the first quarter when Kurisco recovered a Canary fumble on the twelve and ran it over. At the end of the first quarter Zelko and Frey drove for four first downs and Zelko tallied on a pitchout from Kocher. Bethlehem completed the scoring in the fourth canto on a 36 yard run.

# JUNIOR VARSITY FOOTBALL

Each year, out of the tremendous stock of football material that the junior high schools send on to high school, a fine Junior Varsity team is developed; this past season being no exception. A great deal of good talent was present on the squad, which was big and played heads-up-ball and compiled a record of six wins and one loss.

Piloting the outfit to the record which they compiled was Coach Francis O'Keefe, who returned to the Junior Varsity bench for the first time in many years. Previous to his appointment as head coach at Raub Junior High School in 1939, he coached the J. V.'s in 1935, 1936, 1937, and 1938.

Coach O'Keefe's boys started off the season with a rush by grabbing their first two contests; then they absorbed their first and only defeat of the year, and after that proceeded to roll through the next four games.

The Canaries showed both tremendous offensive and defensive strength, scoring 115 points while their goal line was only dented for 26 points.

Northampton and Reading were the two squads that accounted for the scoring against Allentown, Northampton tallying seven but winding up on the short end of the score 23–7, and Reading scoring nineteen and beating the Queen City eleven 19–13.

The squads that helped the Canary and Blues defensive record along were Easton, who lost twice, 32–0 and 12–0, Bethlehem, who lost 9–0, Northampton, who lost their second contest 19–0, and Allentown Central Catholic, who went under by a 7–0 tally.

Accounting for the touchdown scoring were Weibel, Brantley, Stewart, Dorshimer, Orth, who scored six, five, three, two, and one respectively. Taking care of kicking the point after touchdown was Bob Raymis who converted nine.

## VARSITY BASKETBALL

For the fifth time the Allentown High basketeers came home first as they copped the P.I.A.A. Class "A" State Championship. Under the leadership of their freshman coach, Joseph "Milo" Sewards, they wound up with an overall season record of 21 wins and 5 losses.

The Canaries began the season by winning the first six games, all independent, but at the time showed a bad tendency of getting off to slow starts, not picking up steam until the second quarter or the second half. Taken by surprise when they entered East Penn League competion, the Queen City five dropped their first two contests to Easton and Central Catholic. Regaining their stride, they breezed through contests with Hazleton, Bethlehem, and Pottsville, but dropped an outside game to Pottstown.

Before beginning second half play, the Allentonians relapsed and dropped a tilt to one of the Co-Catholic state champions, Reading Central Catholic. In the second half, Easton, Central Catholic, Hazleton, and Bethlehem all fell under the axe, but Pottsville rose up and dumped the Canaries; in spite of this, Allentown won the second half League Crown.

Once the team hit the playoffs, they jelled and played like champs all the way through. The first rung on the ladder was reached in the East Penn League playoff when Easton was toppled 56–53. A District XI game found Palmerton losing 74–55, and in the district final, the Canaries set several Penn Palestra scoring records and P.I.A.A. post-season scoring records as they swamped St. Clair 103–55. In Inter-District play, Radnor was next, being beaten by a 50–48 margin. Revenging last season's defeat, Allentown shellacked Swoyersville 68–44, and took the Eastern Regional title. In the season finals, the eastern champs got off to a slow start, but came swinging and beat Farrell 66–55 for the big prize, the state crown, and in so doing, set more P.I.A.A. records.

It would be impossible to pick out any one player as outstanding as this was a basketball team, not a team of basketball players. Bill Snyder who set a new A.H.S. season scoring mark and foul conversion mark and who was named to the second All-State team, Ed Cahn, who was named to the fourth All-State team, Bill Adams,

who received honorable-mention, and Leroy Katz all played tremendous ball the whole year. Don Wendling, Martin Gilbert, Dale Smith, and Gerry Kershner turned in many valuable spot performances, and the rest of the squad did a good job in backing them up.

Mr. Sewards was ably assisted by Mr. Paul Clymer, who scouted the Canaries' opponents, and Mr. Ben Greene who coached the J.V.'s.

## JUNIOR VARSITY BASKETBALL

Once more the advisability of the Junior High School system which constantly sends a stream of good, young athletes to high school was proved as Allentown High came up with one of the best, if not the best, Junior Varsity basketball teams in the history of the school.

They were good, not because of any outstanding star, though several players stood out, but because they co-operated with coach Ben Greene, because they were easy to handle, and because their team spirit was admirable. These factors, plus the will to win and the ability to recover after making a bad start, were major reasons for their 15–3 record. Included in the Canaries list of victims were such top notch squads as Palmerton, Reading, Easton, Central Catholic, Hazleton, Bethlehem, Pottstown, and Pottsville. Their three defeats, all away games, came at the hands of Reading, 39–35, Hazleton, 55–44, and Pottsville, 64–45. These beatings all came at the end of the season after the Jay Vees had piled up a streak of fourteen straight victories.

Although the team as a whole was good, there are several individuals who should receive mention for their outstanding work. Jimmy Snyder, who led the squad with 121 points, excelled on rebounds; Pete Brantley, next in scoring with 120 counters, displayed terrific drive. The set shot artist of the squad was Richard Jones who swished in 119 tallies. Melvin Geho was in the limelight because of his passing, and John Wescoe proved to be a good utility man. Though he lacked the consistency of his junior high days, Bill Parks turned in several excellent performances. Ralph Trentalange, who was injured in the middle of the season, and Dale Smith, who was promoted to the varsity, also were prime factors in compiling a winning record.

## SWIMMING 1950-51

Once again Coach Dave Hacket's swimming squad came up with a sparkling record. The natators won all seven of their dual meets, won the District XI Championship, and placed third in the regional and state meets.

Highest point scorer on the team was free styler Richard Reitenauer, and he was followed by backstroke star John Saylor and freestyle ace Dan Lambert. Lambert and Reitenauer also were co-captains of the Canary aquatics.

Although these boys garnered the highest point scores, such a successful season could not have been concluded without the great efforts made by the rest of the boys on the team.

# WRESTLING

Under the leadership of a new coach, Mr. Robert Mentzel, who was assisted by Mr. William Evans, the Canary wrestlers moved to a record of two wins and nine losses.

Bogged down by a lack of good lightweight material, just about all bouts in the lightweight classes were lost, and this in turn caused the loss of many matches.

The outstanding performance of the season was the match against Phillipsburg, when the Allentown grapplers hit their peak and won 24–19.

Co-captains for the 1950–51 season were Joseph Dadonna and Marvin Cressman, who were elected by the team members.

## BASEBALL – 1950

Starting out like a house afire, the Canary baseball squad moved to two big-scoring victories, but then slowed down and came up with a 6–6 record on the season.

In the infield, the sparklers were Ted Glass behind the plate, Art Singley on first, John Schuler at second, and Bob Kocher on the hot corner.

On the mound, the two boys that pitched the team to many of their victories were Jim Passaro and Lee Butz.

Russ DeEsch, outstanding football player, also shone in the outfield.

The team was under the leadership of Mr. J. Milo Sewards, and he was assisted by Mr. Kenneth Wildonger.

## TRACK – 1950

With a record of three wins and two losses in dual meets, the Canary track men, under the leadership of Coach Paul Clymer, completed a fairly successful season. In the District XI Meet, the Allentown thin-clads placed second to Pottsville.

There were many outstanding boys on the squad last year. Alton Frey and Dale Moyer, who were unbeaten in dual meets in the 100 and 220 runs, shone in the dashes. In the middle distances, the 440 and half mile, Richard and Claude Kohl took honors. Roy Danner was the long distance man, doing the half and mile runs.

Richard Reitenauer stood out in the javelin throw, being the only Canary who placed in the state meets, obtaining a fourth place. Donald Kopenhaver was good in the discus and James Wambold in the weights.

Austin Tuttle and Ken Long were the top hurdle men. Ed Kilroy was the leading pole vaulter and Rodney Cobi and Robert Stocker copped honors in the high jump and broad jump.

Complete with ring master and performing porpoises, a cast of 105 girls presented the annual aquacade on April 23-27 in the high school pool. Led by Barbara Burcaw, captain, and Lois Clauss, co-captain, the 1951 theme centered about the colorful atmosphere of an aqua circus. Featuring many novel routines, the show was directed by Mr. David R. Hacket, with Miss Joyce E. Beary as dramatic adviser.

The show opened with a procession of the entire cast succeeded by a fashion parade of Sea Nymph swim suits styled by Jordan. Sophomores then brought out the air of the circus with exhibitions representing Ringling Brothers' yearlings and Barnum and Bailey's cubs. Juniors presented a routine of porpoises while seniors performed as trained seals.

Succeeding Dolores Strauss's Buffalo Bill Indian dance was a display of diving, "Catalina's Flying Fish". Next on the schedule were swimming majorettes, after which Joyce Kressly and Catherine Engler join in a marimba duet.

Entitled "Aqua Voca", the following number features Mary Lou Knauss in a singing and swimming combination.

One of the show's highlights was a synchronized swimming troupe of 18 mermaids.

STUDENT DIRECTORS—*Seniors:* Barbara Burcaw, Lois Clauss, Henrietta Faucett, Betsy Hamilton, Martha Lerch. *Juniors:* Gladys Ernst, Nancy Rabenold, Geraldine Schadt, Nancy Snyder *Sophomores:* Carol Barr, Susan Coskery, Barbara Lerch, Barbara Mann, Carol Reed.

## TENNIS – 1950

Rounding out the spring sports in 1950 the tennis team completed a fairly successful season. A record of three wins and three losses balanced things for Coach Russ Knauss's boys. Reading and Easton fell under the Canary rackets, Easton twice. In a return meet Reading downed Allentown and Bethlehem dropped our racket swingers under the net both times. With a nucleus of well trained netmen left for this year the Canaries should pile up an enviable record.

## REMEMBERING

School days are finally done, and with them goes the feeling
Of things that caused us restless nights and sent our senses reeling.

September 6 we started in to climb the steps once more,
And no matter how weary we always were, they got us from floor to floor.

By now we seniors think that we know the school inside out,
But hard as we try, the sophs won't buy an underground tunnel map route.

Soon we started hoping that our football team could become champions this year.
They won quite a few, and lost one or two, but they're champions to us, have no fear.

The absence blank will always mark you as having missed a day,
Each teacher signs, you cannot escape, for I have tried every way.

When school leaves out each afternoon, just try and cross the street,
Between jalopies and motorcycles, you're lucky to stay on your feet.

The hour was approaching and the crowds rushed to get all the weapons they could,
They shoved the enemy into the corner, and speared the meatball where it stood.

There's a gay sunny room on the second floor back, as quiet as can be,
Where the club members take care of the books and also their annual tea.

All through the day 'fore and after each class, there's a struggle with keys,
And pupils stuff junk in their lockers as they try to balance themselves on their knees.

And why do the fire alarms ring everytime you're in a class you enjoy?
When you're in a dull class, it never will ring, is the cry of each girl and boy.

The health room is a haven of rest when the cares of the day make us slouch,
And you want to get out of the next test, just get excused and recline on the couch.

But try as you may, you never can say, that school wasn't fun through the years,
And we know future seniors will feel as we do when their graduation nears.

# CLASS PROPHECY

As we psychoanalize the future, we shall start with the mental powers. *Remembering* is playing a very important part in the futures of Marvalene Kocher and Helen Kurtz who are going to appear in the opera, "Aida". *Will Power* will come in very handy as we see Janet Frantz and Bonnie Burian packing delicious fudge in their own candy factory. As we approach the intellectual part of this diagnosis, Robert Kester must really prove the old saying, "*Seeing* is Believing," for, when he prepares a corpse for a funeral, he must make sure it really belongs where it is. *Observation* is also required of Bob Kocher, for big league baseball accepts no one who becomes careless or lazy. The X-Ray *Reflects* to Nancy Lou Christman the things she is looking for in her work as a technician. Constant *Concentration* must be the key-word of the national airlines pilot, Royal Kramer. In photography, a keen sense of *Comparison* appears to be the most important factor for William Merkle. He must forever be adjusting the lights and keeping from stumbling over things in the darkroom. The pharmacist at the corner drug store, Elmer Shaffer will fill all your prescriptions. When he runs out of drugs, he will confer with Richard Knerr, the chemical engineer who will replenish his supplies. Marlene Knauss checks all the debits and credits in the office of a real estate company. If her *Comprehension* of the figures puts the company in the red, she will call in Arnold Cantor, C.P.A. When people get into trouble and are pulled into court, you can always depend on the great criminal lawyer, LaMar Bartlett, to get them off with a light sentence. *Curiosity* may have killed the cat, but for Marietta Calvert and Nancy Hart, journalists, their curious nature will get them a feature story on the front page. The theme song for Miles Batt is "*Use Your Imagination*," as he wracks his brain to meet the midnight deadline for his latest poster. If you ever need a loan, just stop at the 21st National Bank and look up Barry Danner. With a little *Intuition*, and the president out of town, he will grant you a small loan. Marilyn Knecht certainly has a great deal of *Sympathy* for animals. On her farm, the animals are given first class hotel accommodations. And right next door we find Johnny Balash going in and out of his chicken houses collecting eggs. The FBI is certainly getting its men now since Edward Cahn is taking over. You can be sure that *Justice* is being administered where it is needed. The greatest work in this era is the spreading of *Religion* to all parts of the world. Marion Miller travels throughout different countries spreading the word of God to all people. Geraldine Knauss is very respectful to the passengers on the plane upon which she is an airline hostess. To be in the dressmaking business calls for *Originality*. Dolores Brunner creates her own patterns.

Getting down to the physical qualities of the future, starting from the top and proceeding down we have: Good *Eyesight* is required by Margaret Beitler as she turns out ammunition at the war production factory. Jean Loposonzski has to keep her *Ears* open all the time on her job as receptionist, so she can get all her messages and instructions straight. "A Rose by any Other Name would *Smell* as Sweet," is proved by Norma Bell, the perfume sales lady. If you visit Shirley Ebert at her place of business she will be very happy if you keep your *Mouth* open. As dental assistant, she enjoys looking into people's mouths. The thing closest to you is your *Skin* and Joyce Kressly is just the person to help you with it. If you go into her beauty salon, she will make all your wrinkles disappear. Picking up the latest issue of a nation-wide magazine, we see Paul Koppenhaver on a physical culture advertisement flexing his *Muscles* for a group of admiring girls. Physical therapy is a full-time job for Grace Bortz, who exercises still muscles into usable limbs once more. Dorothy Acker learned that the way to a man's *Heart* is through his *Stomach*, therefore she is studying dietetics. A pair of good, strong *Lungs* will be a valuable asset to Daniel Kessack who, as a state trooper, will have to do plenty of arguing when he starts tracking down people who break the speed limits. They are also a big help to Fay Dougherty the elementary school teacher when the tom-boy and local holy terror get together with their spit-balls and ink wells. Tonight there is a fashion show at the auditorium of the high school and modeling the clothes will be Rosemary Amici. Speaking of *Limbs*, Thomas Laudenslager is busy at forestry work. (It may be a pun, but I had to fill in the space). Upon turning on the radio, we hear the pleasing *Voice* of David Anderson broadcasting the local news. It takes *Nerves* of steel to be a stuntman like Neil Yarema.

Our success in life depends a great deal on the mental powers in a person. How we develop them now will show up later in all we do. Our memory and will power are two important factors that contribute a great deal to whether we are going to leave our mark in life or just be looked upon as a "Plain Jane" or a "Simple Simon". An engineer cannot do a thing if his engine is run down and out of order. It is the same thing with a person. No one can look into a crystal ball and actually foretell what the future holds. In this prophecy we have tried to show you the possibilities that may come about, but now it is up to you to really make the future what you want it to be. With this article goes the best wishes for success from the whole Comus Staff.

30—Memorial Day. Schools closed.

## JUNE

6—Herby's worry-warts and the Dukes office boys get together for a big jam session.

8—Seniors present their last program in the auditorium. The play, "Meet Me in St. Louis". Big hit!

10—Seniors sit peacefully as Baccalaureate Services are held at West Park.

11—Seniors get the first look at the Comus. Congratulations to the Staff.

12—Seniors meet as a class for the last time at their Commencement Exercises in West Park, "For Auld Lang Syne."

# LAST WILL AND TESTAMENT

As graduates of the Class of 1951, with due respect to our revealed insanity, do bequeath to you, the future graduating classes, our most precious and memorable experiences through this, our last will and testament:

To Mr. Bartholomew—pleasant dreams.
To the faculty—thanks for putting up with us.
To Mr. Genszler—a private telephone and another co-operative Comus Staff.
To the soph lunch period—less Sophomores.
To Miss Beary—a few more Shakespeares.
To Commercial teachers—thanks for the typing assistance for the Comus.
To Miss Mac—orchids to you.
To next year's Canary Staff—another Medalist paper.
To the art department—your splendid work is appreciated.
To all lunch periods—more lunch.
To next year's Comus Staff—good luck.
To Mr. Scott—you did a great job. Keep it up.
To the swimming pool—an even temperature.
To the the shop boys—comfortable seats in the tunnel.
To Mr. Thomas—"Think before you ink."
To Mr. Rabenold—a modern, air-conditioned office.
To the 1951-52 student council—a leader like Ken Knauss.
To Mr. Sewards—another successful basketball team.
To the sophomore class—success and fun.
To Miss Dorney—thanks for your sympathy.
To Mr. Brong—your photography services won't be forgotten.
To Miss Pearl Smith—a new bookkeeping text.
To the annex—a bridge from third floor main building to the third floor annex.
To Mr. Seip—more blackboards to go through.
To Mr. Boyer—more U. N. trips.
To the carpentry shop—a noiseless saw.
To the Commercial Club—more buses.
To the AHS Campus—overnight grass-growing seed.
To the Cafeteria Staff—four hands.
To Room 201—still more seats.
To Mr. Bixler—a continued swell printing job.
To auditorium periods—more of a variety.
To LeRoy Katz—Bill Snyder's scoring record.
To the Beef Box—more beef!
To next years basketball team—the State Championship.
To the Junior Class—good luck and support.

To this declaration, I do hereby affix my seal,

—Marietta Calvert
